“Progressive Dinner in September”

Downtown Huntington Partners Presents the third “Progressive Dinner”

Those who attended Downtown Huntington Partners first two “**Progressive Dinners**” enjoyed a night out in downtown. These were evenings filled with dining and new friendships that highlighted area restaurants.

The third “Progressive Dinner” will be held on September 19, in downtown Huntington. The night will begin at 5:30 pm in the lobby of The Fredrick Building where guests will meet and receive their “Dinner Map Ticket” then the fun

begins as participants stroll through and explore beautiful downtown. We start the evening with appetizers. Next enjoy soup and salad. The evening continues with the main course. To conclude, diners will end their travels back at the lobby of The Fredrick Building for delectable desserts.

Limited tickets for this event go on sale immediately. Tickets will be \$40.00 per person and are available from Mug & Pia, 939 3rd Ave., or from Dave Coster at Uniquely Huntington (Adell’s Antiques) in the Antiques Mall at 926 4th Ave., across from the Keith Albee Theater.

The Progressive Dinner is

developed and sponsored by the Downtown Huntington Partners, Inc. The mission of the DHP is to provide vision, support and promotion for the improvement of downtown Huntington. The group consists of retailers, landlords, restaurateurs, professionals, downtown business people and others interested in the improvement and promotion of downtown Huntington and the surrounding area. DHPI is a non-profit organization consisting of an entirely volunteer staff. The partners realize the importance of a strong, growing and changing downtown to the entire Tri-State area
