

# Come to Downtown Huntington!

**January 2024**

From John Null, Executive Director:

As we bid farewell to the past year and eagerly welcome the possibilities of the new one, I find great excitement in reflecting on the incredible strides we have made together as the Downtown Huntington Partners Association. It is with immense gratitude and optimism that I address you as we chart our course for a thriving downtown in 2024.

Our journey thus far has been marked by collaboration, resilience, and a shared commitment to enhancing the heart of our beloved Huntington. The success of the previous year's events only fueled our determination to adapt, innovate, and emerge stronger. As we stand on the cusp of a new year, I am confident that the Downtown Huntington Partners Association is poised for even greater success.

Looking ahead to 2024, our focus remains on sustained growth and fostering an environment that attracts more visitors to downtown Huntington. To achieve this, the Downtown Huntington Partners Association will be implementing a multifaceted strategy:

**Engaging Events and Festivals:** We will continue to organize and support events that bring our community together, creating memorable experiences that encourage locals and visitors alike to explore the unique offerings of our downtown.

**Merchant Collaborations:** Strengthening partnerships with local businesses is a key pillar of our strategy. By facilitating collaborations and promotions, we aim to amplify the appeal of downtown Huntington as a destination for shopping, dining, and entertainment.

**Enhanced Marketing Initiatives:** Our marketing efforts will be intensified to showcase the diverse offerings of our downtown. Through digital platforms, social media, and traditional advertising, we will spotlight the vibrant atmosphere and unique experiences awaiting those who choose to spend time in our community.
