

Love

Downtown Huntington!

February 2024

From The Executive Director:

I am thrilled to extend a warm invitation to all members of our vibrant city to join hands in fostering a stronger sense of community and economic prosperity by becoming part of Downtown Huntington Partners. Having served with this group for several years, I have witnessed firsthand the transformative power of collective action and shared vision in attracting people to our wonderful city.

The heartbeat of any city lies in its downtown, and it is our collective responsibility to ensure that it pulsates with life, energy, and opportunity. Joining the Downtown Huntington Partners is not just a commitment; it is an investment in the very fabric of our community.

By becoming a member, you contribute to a unified voice that advocates for the interests of the businesses downtown. Our partners are committed to promoting economic growth, cultural enrichment, and a vibrant social scene in the heart of our city. We believe that a thriving downtown is a reflection of a thriving community.

As a member, you gain access to a network of like-minded individuals and businesses, each dedicated to the common goal of making our downtown area a hub of activity, commerce, and cultural richness. The Downtown Huntington Partners provides a platform for collaboration, where ideas can flourish, and initiatives can be implemented with collective strength.

DHP MEMBER SPOTLIGHT

Ronald McDonald House Charities®
Huntington

Imagine receiving a call about your daughter's critical car accident, and she is being flown to the nearest trauma center, or your wife delivering a premature baby and you are not close to the hospital, perhaps your toddler has severe flu, or your child is diagnosed with cancer. The Ronald McDonald House provides free lodging and support to families traveling to Huntington for their

children's medical care at Hoops Family Children's Hospital and other medical facilities. Families enjoy private rooms, daily meals, and access to various amenities, enabling them to focus on their children's health. We thank our board members, donors, and volunteers for making this "Home Away from Home" possible!

But we can use the community's help. Whether you donate, volunteer, or provide a hot meal for our families, you can help ease the burden on these already stressed families.
