From The Executive Director:

In the last month, many from DHP began to work on the Pullman Summer Concert Series. We have contacted and solidified our music line-up and promise this is the year you want to plan on attending. Now, we can focus on other parts of the Downtown area. We are encouraging all Downtown Huntington Businesses to join this dynamic group. Please consider getting involved and joining.

The heartbeat of any city lies in its downtown, and it is our collective responsibility to ensure that it pulsates with life, energy, and opportunity. Joining the Downtown Huntington Partners is not just a commitment; it is an investment in the very fabric of our community.

By becoming a member, you contribute to a unified voice that advocates for the interests of the businesses downtown. Our partners are committed to promoting economic growth, cultural enrichment, and a vibrant social scene in the heart of our city. We believe that a thriving downtown is a reflection of a thriving community.

As a member, you gain access to a network of like-minded individuals and businesses, each dedicated to the common goal of making our downtown area a hub of activity, commerce, and cultural richness. The Downtown Huntington Partners provides a platform for collaboration, where ideas can flourish, and initiatives can be implemented with collective strength.

Are you in "The Market" for great food, fun, friends and finds? Then come in today!

## DHP MEMBER SPOTLIGHT

Member, ProSource, is your Downtown Huntington Printing Specialist.

### **Get a higher return on your investment with a data-driven print management strategy**

You won't get a one-size-fits-all solution with Prosource. Our Managed Print Services team specializes in workflow analysis and strategy. As a result, we are better positioned to develop solutions that support your operational goals, enhance security, and comply with industry-specific regulations for print and information management.

Our MPS specialists will conduct a comprehensive assessment of your environment to uncover bottlenecks, redundancies, security and compliance risks, and uncontrolled print costs. We get to know you—your business, your users, and how information flows through your existing technology. That data feeds into a custom print strategy that maximizes the efficiency of your print assets, eliminates unnecessary hardware, mitigates security risks and closes security gaps, and reduces waste. Armed with the right tools to measure output and track printing costs, you will gain absolute visibility into your total print spend and environment.

# Downtown Huntington Partners

Downtown Huntington Partners (DHP) is a voluntary group of merchants, property owners, and other invested parties that are seeking to promote our downtown community. DHP is always accepting new partners to assist in providing a vision, support and promotion for the improvement of downtown Huntington. Any other business persons interested in the improvement and promotion of downtown Huntington and surrounding area are encouraged to become a member.

The Partners realize the importance of how a strong, growing, and changing downtown will benefit the entire Tri-State area. The Partners are involved in events that bring residents and tourists to downtown Huntington for enjoyable and educational experiences which closely correlate to Huntington's heritage.
